March 31, 2020

I want to continue my best wishes for strength, calm, wisdom and good health during these very difficult times. I also want to confirm that **Tiger's Eye Benefits Consulting** remains **open and operating** as usual. **We are an Essential service business and will remain open and continue to provide** services to our Plan Sponsor clients, and Qualified Retirement (Benefit) Plans. We are here to help as we normally do.

With the passage of the CARES – Coronavirus, Aid, Relief and Economic Security – Act last Friday, March 27, new options can be made available to your retirement plan participants. If they find themselves in need of financial assistance from their retirement plan assets. Attached is a list of FAQ's – frequently asked questions prepared by the American Retirement Association - specific to this legislation and some planning points. Please review and contact our offices with questions.

And please do note that any relief measures made available to your retirement plan participants are **optional**. Nothing needs changed to expand access to retirement plan funds if you wish to protect those for your participants.

Please do not hesitate to contact our offices, either by phone or email.
